

## CEO Services

### **Recruit and employ an experienced Association CEO focused on delivering your strategic goals.**

A growing Association needs a leader but this can come at a cost. Reduce the cost and risk of CEO recruitment with TAS' CEO Recruitment Services. Maintain reporting lines without the associated administration and further increase efficiency by co-locating your CEO with your Association Management (AM) team.

### **What's Included?**

TAS will tailor a package to meet a specific client brief. CEO services range from our Executive Search Service to a fully hosted TAS CEO employee embedded in our organisation. Services can include:

- recruiting, interviewing and appointing a suitable candidate for the role;
- providing facilities to host/ embed the CEO in TAS' offices or remotely;
- ongoing management of/ liaison with the CEO;
- financial management of the CEO including payroll and statutory entitlements;
- coordinating regular performance reviews in consultation with the Board; and
- co-locating the CEO with the AM team and all accompanying infrastructure

### **Benefits**

- Improved delivery of your strategic goals
- Shorter lead time to establish the CEO role
- Reduced overheads for your organisation
- Improved communication between CEO and support team
- Benefits of having an enriched environment in which there are multi-sector associations
- No low hanging fruit to distract CEO
- TAS retains control and risk over CEO employment terms
- No long-term support contracts (office lease, IT equipment, phones etc)
- No need to invest in major support infrastructure
- Total flexibility to turn off/on (with due notice)
- No day-to-day management issues
- Performance based environment
- CEO housed with other senior executives for collegiate support
